A. Generally.

1. Running at large is prohibited. No dog shall be permitted to run at large within the corporate limits of this town.
2. Dogs on leash. The restriction imposed by Section III.A.1. shall not prohibit the appearance of any dog upon streets or public property when such dog is under the control of the owner or a member of his immediate family, either by leash or otherwise.

3. License required.
 - a. *Application; term; fee.* No person shall keep any dog within the city without first securing a license therefore from the town clerk, who shall issue a metal tag for each license and who shall keep a record of the license number and description of the dog so licensed, including name, sex, color and breed, and the name, address, and telephone numbers of the owner or keeper. All renewal licenses shall be issued for a period of one, two, or three years. The license fee is set forth in the fee schedule of Grey Cloud Island Township. Licenses shall not be transferable. Every application shall be accompanied by a certificate of rabies vaccination as provided in Subsection b. of this section. In the event of loss, license tags may be replaced for a fee of \$1.50. No refund of license fee shall be made if the licensed dog dies or leaves the town before expiration of the license period.
 - b. *Vaccination required.* No license shall be granted for a dog whose rabies certificate of vaccination at the time of application is not current. All dogs in the town over the age of six months shall be vaccinated for rabies and revaccinated at least once every three years. A veterinarian who vaccinated the dog to be licensed in the town shall complete a certificate of vaccination, one copy of which shall accompany the license application.
 - c. *Exceptions.*
 - 1) A certificate of vaccination as provided in Subsection b. of this section shall not be required if the application is accompanied by the certificate of a licensed veterinarian stating that because of health reasons the dog, for which the license is applied, should not, in the opinion of such veterinarian, be vaccinated against rabies.
 - 2) The certificate of vaccination described in subsection (b) of this section shall not be required for any dog less than six months of age, provided, however, that such license shall automatically expire when such dog shall attain the age of seven months unless, prior thereto, the certificate of vaccination described in Subsection b. of this section shall have been filed with the town clerk.
4. *Affixing Tags.* The owner or keeper shall cause the license tag required by Section III.3. to be affixed by a permanent metal fastening to the collar of the dog so licensed in such a manner that the tag may be easily seen by the officers of the town. The owner shall see that the tag is worn constantly by such dog.
5. *Impounding.*
 - a. Every dog within the corporate limits of the town not restrained or confined as provided in this article, or running at large, shall be immediately impounded. Every dog so impounded having no duly issued and current license tag affixed or attached to it shall be impounded for a period of 120 hours, and if not redeemed as provided in subsection (b) of this section, within such period, by the owner or keeper thereof, such dog shall be destroyed in a proper or humane manner, or otherwise disposed of. - c. The owner of any dog not redeemed within 120 hours as set forth in Subsection a. of this section shall be personally responsible for the cost of disposal of such dog.

- 6. Muzzling proclamation. Whenever the prevalence of hydrophobia renders such action necessary to protect public health and safety, the town board shall issue a proclamation ordering every person owning or keeping a dog to confine it securely on his premises unless it is so muzzled that it cannot bite. No person shall violate such proclamation, and any unmuzzled dog running at large during the time fixed in the proclamation shall be killed by the police without notice to the owner.
- 7. Civil liability for damage. All owners or keepers of dogs allowing such dogs to run at large upon the premises of another person in the town shall be liable for any damage committed by such dogs, and nothing in this chapter shall be construed as limiting the right of citizens to recover the value of such damages in any action at law.
- 8. Barking dogs. It shall be unlawful for any person to own, keep or harbor any dog which is a barking dog as defined herein. A barking dog is any dog that barks, bays, cries, howls, or makes any other noise continuously or incessantly for a period of ten minutes or barks intermittently for 30 minutes or more at any time either day or night. A dog shall not be deemed a barking dog if, at the time that the dog is barking or making any other noise, a person is trespassing or threatening to trespass upon the private property upon which the dog is situated or when the dog is teased or provoked.
- 9. Removal of dog excrement from property not of owner. It shall be unlawful for any person to cause or permit a dog under his ownership or control to be on any property, public or private, not owned by such person, unless such person shall have in his possession a device for the removal of any excrement which might be deposited by such dog. Any person who owns or controls a dog which deposits excrement upon a property, public or private, shall promptly remove such excrement to a proper receptacle located on property owned or possessed by such person. This provision shall not apply to blind or physically handicapped persons while walking with their guide dog.
