## WAITING FOR WINTER

So far, our winter season has been relatively mild and with very little snow. While it's very unlikely that such luck will last much longer, winter parking restrictions are currently in effect in many of our Washington County communities. Each community is different in its approach, but generally under winter rules, parking is prohibited on designated streets during a certain period, such as from October through May, or during certain times of day or on one side of a roadway.

Washington County deputies are ready to help cities enforce their rules and have already issued citations this season. Last year, from the season that ran November 1, 2021, through May 1, 2022, deputies issued nearly 100 parking citations related to winter parking restrictions.

We encourage each community's leaders to continue to communicate guidelines and restrictions to their citizens so they're prepared and informed this winter!

### ATTEMPTED FRAUD

5XXX PIONEER ROAD S

At 3:07pm on Dec. 13, a deputy spoke to a caller about an attempted fraud. The caller reported falling for a scam email and had deposited money out of state, but then contacted their bank. The bank was able to stop the transaction and was investigating, so the caller needed a case number, which the deputy provided.

## MESSAGE FROM THE SHERIFF

We ended our year on a high note at the Sheriff's Office, welcoming four new Community Service Officers in November and six new deputies, who were sworn in at a ceremony in late December. Thanks to our partnership with the Beyond the Yellow Ribbon Network, we had 38 Secret Santa volunteers who shopped and wrapped gifts for military families. And at one of our favorite events, we took more than 20 children shopping for the holidays at our annual "Shop with a Cop." As our Washington County Sheriff's Office family grows, we look forward to the New Year and investing in the meaningful connections we have with all of our communities.

In service,

Sheriff Dan Starry
